This department was created in 1987 to highlight the long and proud history of the Saanich Fair which dates back to 1868. Just think of all the changes in technology, clothing styles and transportation that have taken place over this time. The entries in this section will bring back fond memories for older folks and may provoke amazement from younger generations. This competition is intended for individual entries. Displays from appropriate heritage organizations are encouraged but will not be judged.

1. Please attach to your **entry form** a brief description of the item and its approximate dimensions. This is to aid the convenors in organizing space for the entries
2. Entries will be judged on the basis of rarity, condition, write-up and age. **All items must have originated before 1970.**
3. Each entry must include a legible description of the item, its date, and if possible its significance for the exhibitor.

Make 1-2 days ahead recommended. Keep in air-tight
container in fridge, bring in at room temperature.

1st \$20.00; 2nd \$15.00; 3rd \$10.00

- 1 1/4 cup all-purpose flour
- 1/2 teaspoon baking soda
- 1 teaspoon baking powder
- 1/4 teaspoon salt
- 1 teaspoon ground cinnamon
- 1/4 teaspoon ground cloves
- 1/4 teaspoon ground nutmeg
- 2 large eggs
- 1/2 cup granulated sugar
- 1/2 cup honey
- 1/3 cup canola oil
- 1/2 cup warm coffee (mix 1/2 cup hot water with 1 teaspoon instant coffee)
- 1/2 teaspoon vanilla extract
- 1/4 cup chopped pecans

RECIPE:

1. Preheat oven to 340 degrees Fahrenheit. Grease 9x5-inch loaf pan.
2. In a large bowl, sift together flour, baking soda, baking powder, salt, cinnamon, cloves and nutmeg. Set aside.

3. In a mixer bowl fitted with a whisk attachment, whisk together eggs, granulated sugar, and honey on medium high speed until light and fluffy, 2-3 minutes. On low speed and with the mixer running, slowly add the oil and vanilla extract and beat until combined. Turn off mixer. Beat in the flour mixture in 3 additions, alternating with the coffee in 2 additions, starting and ending with the flour. Beat until smooth. Do not over-mix.

4. Pour the batter into prepared loaf pan. Sprinkle with nuts. Bake for 35-45 minutes or until a toothpick inserted into the centre of the cake comes out clean. If the top is browning too fast while baking, cover pan loosely with aluminum foil. Allow cake to cool for 10 minutes, then remove from pan and set on a wire rack to cool completely.

20-C-222 **Altered Photography** - Open to all ages

THEME: Farm Animals

Size: A set of two images 5" x 7", landscape. One original image and 1 altered image. Provide original (before) and the altered (after) photograph. Images must be mounted securely to a 16" high x 11" wide poster board. Alter photograph using any technique - photopainting, colouring, text additions, etc.

Digital photography has become so commonplace that pictures taken digitally will be accepted in all classes. Normal photo editing on computer is accepted, e.g. colour, balancing, cropping, leveling of horizon; but full digital manipulation, e.g. combining two or more photos to form one image is not accepted.

PHOTOGRAPHY TIPS FROM THE JUDGES

1. In pictures featuring humans or animals, make sure that legs, feet, tails and the like all appear in the picture and are not accidentally cut off.
2. In pictures involving a horizon, like landscapes or seascapes, ensure the horizon is straight horizontally.
3. Avoid overexposing the lighter coloured parts of your pictures.
4. Watch for false shadowing in your picture and change your angle to the light source if you find unplanned shadows on faces or foreground objects.
5. In classes like "Human Beings" and "Child Life," ensure the picture tells a story. Put your pictures into a scene.
6. Try to avoid having your foreground object appear dead centre in the photo. Putting it slightly off the centre line, both vertically and horizontally, will create a much more pleasing appearance.
7. Ensure the key parts of your photo are as sharply in focus as possible.

8. If printing digital photos at home, be very careful of colour quality. The most common fault is having too much yellow in your colour mix. Better yet, for first-rate prints for competition, take your photos in to have them printed.

"Sheep to Shawl" Demonstration

DEPARTMENT 26

Date of event: Saturday, August 31st, 2019, 10:00 am to 4:00 pm

Convenor: Judy Moores, 250-652-7072

Come and witness the magical transformation of fibres into fabric (probably a woven shawl). Talk to the spinners, weavers, and carders as they take a raw fibre through the processes needed to turn it into a fabric. Members will gladly talk to you about what they are doing and why, and may even ask you to help with the carding and weaving. This is a demonstration not a competition so there will be no time limit or judging.

Fibres to Finish

DEPARTMENT 27

Date of event: Sunday, September 1st, 2019, 10:30 am to 3:30 pm

Convenor: Judy Moores, 250-652-7072

Committee: Diane Gray, 250-658-8301

Local spinners and weavers will work to produce an article from any local fleece or fibre. You may see wool, mohair from angora goats, angora from rabbits, llama or dog (fibres that are produced locally). The fibres may be used "in the grease", washed or dyed. You will see several of these activities: carding, spinning, weaving, felt making, knitting, crochet. There will be a similar variety of end products. A sheep shearer will come and shear a sheep for us.

There will be displays to let you know which fibres are being used, what its special characteristics are, and its preferred uses. This is a popular demonstration. There will be no judging.

Quilts & Quiltmaking

DEPARTMENT 28

Date of event: Monday, September 2nd, 2019, 10:00 am to 3:00 pm

Convenor: Judy Moores, 250-652-7072

Committee: Organized by Jill Gardener

Members of the Victoria's Quilt Guild will share their knowledge and stories of their quilts by demonstrating new and old techniques; from making the quilt top in various forms to the finished product. Nowadays quilting is an art form which is done to decorate a home, to express one's self in cloth and fibre and to provide comfort quilts for family or charity. Please come into our tent and watch, ask questions and be amazed by all the local talented quilters.
