Rental Expectations:

a) Booking Ride Times

Call or email the office to book your time and which space you will be in before you arrive.

Our work hours are Monday to Friday 9 to 4

Phone: 250-652-3314

Email: andrea@saanichfair.ca

Please note: Our fairground insurance requirement is strict- if you are not booked on the calendar, you are unable to ride.

b) Using Both Rings

You are welcome to ride in both rings in a day, but, please let the office know that is what you will do so we have both rings marked as used by you on the calendar.

c) Other Riders

Monthly passes are not exclusive and rings are on an “as available” basis. You may arrive and others will be riding too.

d) Proof of HCBC

All riders must supply a current HCBC number to the office prior to your first ride.

e) Harrowing

The only scheduled harrowing of the rings is the Agriplex on Wednesday mornings before 10.

All other harrowing is at the discretion of the staff.

f) Manure

Riders are expected to do their own manure clean-up in the rings and around their trailers. There are tools in the Agriplex and a manure pile out the east door.

Pass interruptions:

Occasionally, snow days or ring repairs will limit riders' access. For these exceptional days we will add on extra days to your pass.

If any of the monthly pass expectations are disregarded the Saanich Fair office reserves the right to void your monthly rental with no refund.
